**Arrow VPS Rhythm DLX Device
Extended Warranty**

Purchase now
We can help you select the plan
that's right for your team.

**Protect your equipment, process,
and patients for the long term.**

We want you to get the full benefits of your
Arrow VPS Rhythm DLX Device to protect
your workflow and patients' healthcare experience.
Your investment comes with a one-year manufacturer's
warranty. Purchasing an extended warranty means
that if anything happens to your investment after
that time frame, Teleflex will be right there to help
you get up and running with minimal downtime to you
and your patients.

Benefits

- Lower costs**
An extended warranty covers most repair or
replacement fees.
- Reduced downtime**
Receive overnight shipping on your replacement
to keep you up and running.
- Multiple options**
We offer multiple warranty lengths and
configurations to fit your needs.
