We can help you select the plan that is right for your team.

Protect your equipment, process, and patients for the long term.

We want you to get the full benefits of your Arrow® VPS Rhythm® DLX Device to improve your workflow and patients' healthcare experience. Your equipment comes with a one-year manufacturer's warranty. Purchasing an extended warranty means that if something happens to your equipment after that time frame, Teleflex will be right there to keep you up and running and minimize downtime for you and your patients.

Benefits

- Lower costs**
An extended warranty covers most repair or replacement fees.
- Reduced downtime**
Receive overnight shipping on your equipment to keep you up and running.
- Multiple options**
We offer multiple warranty lengths and configurations to fit your needs.
